

Tom Wright is a British singer-songwriter from Cambridgeshire, UK, and has been playing the guitar since the age of 7.

At 16, he quit school to go on the road with a bunch of touring bands, and has since been touring the UK in theatre shows such as The Billy Joel Songbook with Elio Pace, and Walk Right Back, a tribute to the Everly Brothers.

Tom has been lucky enough to have played for such artists as Huey Lewis, Tom Chaplin, Ronan Keating, Brian McFadden, Mike Rutherford, The Feeling, and even actor Bill Murray!

Alongside playing for other artists, Tom's main focus has been his own music, releasing his first self-titled album in 2015, and playing festivals across the UK including Country 2 Country at the O2 Arena, and The Secret Garden Party Festival with BBC Introducing.
